1 12 a. "Public owner" means a public body including
1 13 the state and a political subdivision of the state, an
1 14 officer, official, agency, authority, board, or
1 15 commission of the state or of a political subdivision
1 16 of the state, or an institution supported in whole or
1 17 in part by public funds.
1 18 b. "Public road project" means a project under the
1 19 control of a public owner for the construction,

1 23 c. "Public works" means a building or other
1 24 construction work which is constructed under the
1 25 control of a public owner and is paid for in whole or
1 26 in part with funds of a public owner. "Public works"
1 27 does not include any work done by or on behalf of a
1 28 drainage or levee district or any work funded by
1 29 federal funds where federal procurement policy
1 30 applicable to the use of the federal funds is
1 31 inconsistent with the requirements of this section.
1 32 d. "Public works project" or "project" means the
1 33 construction, maintenance, or repair of public works.
1 34 However, "public works project" does not mean a public

1 37 contract to perform a public works project pursuant to
1 38 a competitive bidding procedure, which contract
1 39 authorizes the expenditure of twenty-five thousand
1 40 dollars or more in public funds, a public owner shall
1 41 tabulate all bids received and shall determine who is
1 42 the lowest responsible bidder by considering, in
1 43 addition to the amount of the bid, all of and only the
1 44 following:
1 45 a. The past experience of the bidder in the
1 46 performance of similar projects.
1 47 b. The qualifications of the bidder to perform the
1 48 type of work required by the contract.
1 49 c. The bidder's record of reliability and timely
1 50 completion of past projects.
2 1 d. Proof of the financial responsibility of the
2 2 bidder.
2 3 3. PROHIBITED CRITERIA. In determining who is the
2 4 lowest responsible bidder for purposes of awarding a
2 5 contract to perform a public works project or a public
2 6 road project, a public owner shall not do any of the
2 7 following:
2 8 a. Select a bidder based in whole or in part on a
2 9 consideration of whether the bidder's employees belong
2 10 to or are represented by a labor union or a labor
2 11 organization.
2 12 b. Require that the bidder selected enter into an
2 13 agreement that directly or indirectly limits or
2 14 requires the bidder to recruit, train, or hire
2 15 employees from a particular source to perform work on
2 16 the public works project or the public road project.
2 17 c. Require that the bidder selected enter into an
2 18 agreement that directly or indirectly requires the
2 19 bidder to offer particular types or amounts of health
2 20 insurance, life insurance, or disability insurance
2 21 coverage or retirement benefits to employees hired by
2 22 the bidder to perform work on the public works project
2 23 or the public road project.
2 24 4. BIDDING DOCUMENTS. The criteria described in
